

Getting ready for the implementation of human papillomavirus (HPV) testing in the Ontario Cervical Screening Program (OCSP)

Please join us for an Interactive HNHB Regional Cancer Program webinar for Primary Care

Learning Objectives

- Cervical cancer in Ontario and the Ontario Cervical Screening Program
- HPV and HPV testing
- The implementation of HPV testing in Ontario
- The tools to support me and my patients

Open to

All family physicians and other primary Care providers and staff in the HNHB regions

2 MainPro + Credit

Certificate of Attendance will be provided to those that attend and complete a post evaluation. Physician attendance is required. This program has been certified by the College of Family Physicians of Canada and the Ontario Chapter for up to 2 Mainpro+ Group Learning credit

Ontario Health

Not able to make a regional webinar? OH is also offering Provincial webinars for providers offering cervical screening.

- February 4, 7:30 – 8:30 am: [webinar link](#)
- February 13, 5:00 – 6:00 pm: [webinar link](#)

On March 3, 2025 the Province is transitioning from Papanicolaou test (PAP) to Human Papillomavirus testing (HPV) for cervical cancer screening.
